THE NEW STATES!

Montana Wheels Into the Democratic Line With a Handsome Majority--The Other States Republican.

HELENA, Mont., Oct. 2.—The democracy have carried Montana by a majority of not less than 2,000. This is conceded by Chairman Seligman of the republican state committee, Russell Harrison and other rabid republicans, who wish it were not so.

Power, republican candidate for governor, ran behind his ticket several hundred, while Toole ran ahead of his. Maginnis, for congress, got the fewest votes on the democratic ticket, but enough to send him to Washington.

The constitution is adopted by 25,000 majority.

The democratic managers claim the entire state ticket and a majority in the legislature. The *Journal*, republican, claims the state for Carter and says Power will not run five hundred behind. It says the legislature can not be forecast, but is confident of a republican majority.

The result can not be surely known before to-morrow.

ABERDEEN, S. D., Oct. 2.—Chairman McCoy, of the republican state central committee, estimates this morning that the republican state ticket is elected by 20,000; prohibition carried by 10,000 to 15,000; Pierre has 25,000 votes for temporary capital, Huron a good second, Sioux Falls third, Watertown and Mitchell fighting for fourth. Pierre will undoubtedly be the temporary capital. Even Minnehas county, in which Sioux Falls is situated, has gone for Pierre. A large vote.

E. J. Goodkind, Bismarck's liquor dealer, claims to have heard from every county and says his returns show a majority of 2,100 against prohibition. Each party gets three judges, the legislature is safely republican and the election of Gilbert A. Pierce to the senate is assured.

FARGO, Dak., Oct. 2.—Returns up to 11 o'clock at the republican state central committee headquarters give Miller's majority over Roach 5,172. Miller runs behind his ticket 2,000, the average majority being 7,000. Hausbrough for congress will have 8,000.

Chairman Geary says the total vote will not be over 35,000 or 10,000 less than in 1888. This is partly due to the fact that threshing crews did not vote, the weather being fine.

MINNEAPOLIS, Minn., Oct. 2.—It is a sure victory for Pierre for the capital of South Dakota. The *Journal's* staff correspondent at Aberdeen telegraphs: Chairman McCoy estimates, this afternoon, that Pierre will have 10,000 plurality. A Deadwood special says 34 precincts in the Black Hills give Pierre 3,128, Huron 367, Sioux Falls 126, Chamberlain 118, Watertown 125.

A PRIEST'S FUNERAL.

The Last Sad Rites of Father O'Heran--Telegrams From Different Points.

WILKESBARRE, Pa., Oct. 2.—The funeral of Father O'Heran took place this morning. The church was crowded and over a thousand persons were unable to get in the edifice. There were ninety-seven priests present. Bishop O'Hara delivered a panegyric. Business was entirely suspended and many of the colleries shut down to enable the miners to attend the services. The funeral cortege was over three miles long, 3,000 persons being in line.

CHICAGO, Oct. 2.—Judge Baker this morning ordered that the writ of habeas corpus, on which Frank Woodruff seeks to gain his liberty, might issue. It was made returnable to-morrow morning at 10 o'clock. The examination of venire men in the Cronin case, was resumed this morning, and the defense preemptorily challenged James R. Kramer, on behalf of Kunze.

Left the Town in Darkness.

HARTFORD CITY, Oct. 2.—The fight between the gas company and the city council came to a head last night. The lights were turned out, and the city was left in darkness. The board are determined that the gas company must furnish lights for one-half the present price—seventy-five cents a post per month being the price heretofore exacted. The gas company say they will not do it. Public opinion is divided in the fight,

Stood Against Muldoon.

PHILADELPHIA, Oct. 2.—Jack Carkek, of Michigan, earned $25, at the Standard theatre last evening by staying fifteen minutes with William Muldoon in a Graeco-Roman wrestling match. Muldoon used him rather roughly, but could not turn him on his back.

THE NOBLE TWENTY-NINTH.

A Reunion of One of the Conspicuous Batteries of Indiana, Which was Organized in This City.

To-morrow at Sion S. Bass post hall there will be held a reunion of the Twenty-ninth Indiana battery.

This battery has a great record, being very conspicuous in the Indiana forces during the civil war.

Capt. James H. Myers, of Jeffersonville, who was captain of the battery, writes that he will be unable to be present. He sends to Mr. James E. Graham an address to be read to the comrades, which will revive some of the incidents and memories of the battery.

Fort Wayne, in September, 1862, was a general rendevouz for different regiments (infantry) with Governor Wm. Williams, of Warsaw, in command. Hon. Scott Bayless was quartermaster and commissary. In getting the recruits organized into different regiments, Hons. Samuel Hanna, McCulloch, and others, were prominent. It was then that the battery was organized. Captain Myers was walking down a street in Fort Wayne, when Joseph Bowers, and others, offered their services, and a meeting was called at the court house that night, when Franz A. Sawyer, and others, spoke. As a result the Twenty-ninth battery was organized then and there.

The muster roll of the battery shows 102 men through all the war; died in the service, 16; discharged for disability, 16; transferred to other companies, 8; deserted, 21.

Captain Myers sends the original muster roll and the guidon or banner of the battery, which will be inspected by the comrades.

Most all of the surviving members of the Twenty-ninth battery reside in the county and there will no doubt be a large attendance at to-morrow's reunion.

THE THREE AMERICAS.

The Congress of the Great Powers in Session at Washington--A Great International Event.

WASHINGTON, Oct. 2.—Nearly three score of distinguished looking men assembled at the state department this morning. They were the delegates to the three Americas congress. Before proceeding to the department they had their pictures taken in a group at the Watchmans, where the congress will meet.

A few minutes after the noon hour the delegates, headed by Assistant Secretary Ade, of the state department, walked in procession from the diplomatic ante room to the diplomatic reception room.

The Brazilian delegates were attired in brilliant uniforms, resplendent with gold lace, but the others wore plain black clothes, with the exception of Captain Bourke, of the United States army, one of the aids to the congress, who wore his cavalry uniform. Some of the delegates were attired in evening dress and carried opera hats.

As soon as the delegates assembled in the reception room the doors were closed and the proceedings inside were conducted secretly. Only those persons who had credentials to the congress were allowed to remain in the apartment.

When the delegates had assembled in the room, Secretary Blaine passed around among them and greeted each in an entirely informal manner. All the delegates were present except T. J. Coledige, of Boston, who will join the delegates at this city. After a few minutes of chatting, Secretary Blaine took his stand at the head of the long central table in the room, and using a large pair of shears as a gavel called the meeting to order and made an address.

At the close of his address the congress elected Mr. Blaine president of the congress and transacted other business.

THE FIRE DEMON.

Destruction in Different Parts of the Country.

ADA, Minn., Oct. 2.—The *Norman Herald*, J. E. Campbell's livery and W. W. Campbell's office were burned at midnight last night. The *Herald's* loss is $6,000 and the Campbells', $6,000.

BISMARCK, N. D., Oct. 2.—Destructive prairie fires have been raging in McLean county, fifty miles north of here, during Sunday and Monday. The flames were driven by a wind with a speed of sixty miles an hour. Houses, barns, graneries and all their contents have been destroyed, and the town of Washburn had a narrow escape.

M'LETCHIE MARRIED.

The Popular Superintendent of White's Wheel Works Quietly Married.

Papers from Bay City, Mich., contain the announcement of the marriage Monday evening of Mr. John McLetchie, superintendent of White's wheel works, in this city, to Miss Hattie Hamilton.

The ceremony was performed at Bay City, the bride's home. Mr. McLetchie's friends were unaware of the approaching event, and the announcement will, of course, be a surprise.

The couple will return to this city to reside after taking a brief wedding trip. THE SENTINEL tenders congratulations.

New York Democrats.

SYRACUSE, N. Y., Oct. 2.—The following ticket was nominated at yesterday's democratic state convention: Ex-Assemblyman Frank Rice, of Ontario county, for secretary of state; Edward Wemple, present incumbent, for comptroller; Hon. Elliott Danforth, for state tresurer; Charles F. Tabor, present incumbent, to be attorney general; John Bogart for state engineer and surveyor, and Dennis O'Brien for court of appeals judge.

Kokomo's Kick.

KOKOMO, Oct. 2.—After two weeks' use, the Becktold-Williams-Merrill geographies were condemed yesterday by the city school board, and thrown out of all the city schools, believing their use to be a rank injustice to the pupils and school patrons. The new eclectic series, formerly in use, have been again utilized, to the great delight of pupils and teachers.

MERGENTHEIM'S OPENING.

A Faultless Display of Hats, Bonnets, Trimmings and Goods Pertaining to Millinery.

The grand fall opening at Mergentheim's millinery establishment will commence to-morrow and continue Friday.

A SENTINEL reporter was afforded the pleasure to-day of an inspection of the large and fine display, and through the courtesy of the amiable Mrs. Mergentheim, was enlightened on this subject that so peculiarly interests and delights the gentler sex.

The millinery parlors never presented a handsomer appearance than they do now with their apparently inexhaustible supply of feminine treasures, in the form of the latest shapes in head wear, beautiful trimmings and the accessories necessary to commence and complete a hat or bonnet.

It is indeed a rare and exceedingly attractive display, and is a stock that Mrs. Mergentheim selected with her own clear conception of the tastes and desires of the ladies. Electric light has been placed in the building, and access is had to the second floor by means of an elevator. The opening will continue each day and in the evening.

FREE NATURAL GAS.

The Salimonie Gas Company Favor Consumers.

Last night the Salimonie Natural Gas and Fuel company passed a resolution granting consumers for domestic purposes free natural gas until November 1st.

Gas consumed for manufacturing purposes is excepted.

PROF. B. T. GALLOWAY, chief of the section of vegetable pathology, Department of Agriculture, has recently succeeded, as the result of practical experiments, in producing a remedy for the disease called pear leaf blight and apple mildew, which annually causes great destruction to those trees. As a result of practical experiments he feels justified in recommending it to the farmers and fruit growers as both efficacious and economical. The remedy consists of the application of a fungicide, with an appliance by which 50,000 plants were sprayed in a day and a half at a cost, not including labor, of $4.75 for each application, five being required to secure good results.

The tragedy occurred while the two were in bed in their home on South Ionia street, where they had lived with Rickerts' family. Mrs. Rickerts will die. THE FOOTLIGHTS.

Mrs. George S. Knight at the Temple--"Black Diamonds" at the Academy.

Mrs. George S. Knight is a favorite in Fort Wayne and it was no surprise to see a fair audience at the Temple last evening to witness her original repertoire.

Mrs. Knight's winning caprices are heightened all the more by the support she has, which is more than acceptable. This evening will be given "On Guard," "Crazed," and "A Lucky Number," all Mrs. Knight's own creations. There ought to be a good house.

THE PEOPLE'S.

"Black Diamonds" was presented the second time at the People's theatre last evening. The Forbes company have among them some clever people, and our own Chas. DeRome, who was raised in this city, takes the part of the original colored "Bob." The show holds the boards every night this week.

WEDNESDAY, OCT. 2, 1889.

THE Boston churches spend $30,000 a year for music.

THE new states voted yesterday. The democrats carried Montana.

THE tobacco tax in this country amounts to over $30,000,000 a year.

THE indications are that after next Tuesday Mahone will be in a position to sympathize with Tanner.

INDIANA is awake on the live issue of the day. The state tariff reform league has organized branches in fifty-two counties and the "campaign of education" is progressing.

THE Central Illinois conference of the Methodist Episcopal church passed a resolution this week recommending that the American flag be placed in all their churches and Sunday schools as an emblem of Christian civilization.

THE platform of the Massachusetts republicans calls for a "thorough and equitable revision of the tariff." That is just what Mr. Cleveland wanted in 1888, but the Massachusetts republicans were not ready for it then. It is encouraging to know, however, that they have learned something since.

THE potato crop of 1889 will probably exceed in quantity that of any previous year in the United States. The acreage is less than last year, but the conditions of growth have in general been very favorable, and there has been an unusual absence of insects. The total crop is estimated at 233,700,000 bushels, which exceeds last year's crop by over seventeen million bushels.

THE farmers of Illinois are organizing alliances all over the state for the purposes of mutual protection and to fight monopolies. The most effective way to fight monopolies is to strike at the system which renders them possible. The farmers of Illinois missed this opportunity when they voted last fall for protection, but they will have a chance to atone for their error in 1892.

THE army of American tourists are swarming home by the thousands. The *World* stated since March over 80,000 passengers had left that port for Europe, nine-tenths of whom were Americans bound for the Paris exposition. They have left a good many American dollars behind them and wear home a good many foreign made garments with which the customs officers will not be able to interfere. Now that it has gotten to be a holiday trip across the Atlantic the laws will have to be revised to meet the case of those who go shopping abroad.

IT is believed that an Indiana man will be given the supreme court vacancy, and that the nominee will be Judge Woods. To prevent this Judge Gresham's friends are said to be striving earnestly. It is a novel situation, as one can see at a glance. Judge Gresham, Judge Woods' superior, has given the latter a mortal affront (in the Indiana, Decatur and Western receivership.) It can never be forgotten nor forgiven, and as the offender is generally as relentless as the offended, it is to be expected that Judge Gresham will do nothing to see Judge Wood's interests advanced. But Judge Gresham is a political rival of President Harrison's, and the latter is not only a personal friend of Judge Woods, but he is an admirer of his judicial abilities. It will be gall and wormwood to Judge Gresham to see Judge Woods go above him on the supreme bench. It would be a sweet revenge—and it is not an improbable one—to Judge Woods' friends if this should happen. The promotion might be expected to come to Judge Gresham, but it is supposed to be improbable that he will be considered. The choice seems to lie between Judge Woods and Attorney-General Miller.

THE CURTAIN DRAWN.

And Library Hall Fair is Rid Amongst the Events of the Past --About Eleven Thousand Dollars Net Realized.

Two weeks and four days was the duration of the great Library hall fair, which came to a close last night.

A SENTINEL reporter sought out Rev. Father Brammer, who managed the big success. Father Brammer said: "The fair has been the most successful one ever held in Library hall. Much of our success is due to the generous spirit manifested by our non-Catholic friends. They have contributed much and they may rest assured that it is appreciated."

The gross receipts of the fair THE SENTINEL is informed, amount to something like $12,000 or $13,000; net, between $10,000 and $11,000. The amount may exceed or lack the figures some. The debt on the building is $29,000, and the amount netted will decrease it considerably.

The following is the correct list of prizes in the grand drawing:

Mr. Henry Eckart proved to be the most popular butcher, as can be seen by the following vote:

Edward Rich, 65; Gottlieb Haller, 193; Charles Wilkins, 10; Charles Weller, 20; Albert Gessler, 30; Jos. Yobst, 20; Henry Eckart, 1,586; John Leikauf, 20.

Mr. Wm. P. Breen, on behalf of the Young Men's and Rosary societies of the Cathedral, in a few well-chosen words, presented Rev. Father Brammer with an elegant stole, the handiwork of the Sisters of Providence of St. Augustine's academy, to which Father Brammer responded in a few words, sincerely thanking the people for the good will and generosity shown to him during the fair.

Those holding tickets that won premiums in the grand drawing will please present the same to Rev. M. J. Byrne and recieve the prize. No prize delivered without the ticket. As a great many articles have been lost a constant precaution must be made. A collection of silverware from the try-and-win table were drawn by the following persons:

Rushville State Woman's Suffrage Convention.

The annual convention of the Indiana National Woman's Suffrage association to be held at Rushville, Ind., October 10 and 11, promises to be an occasion of great interest and importance to the suffrage work in the state. It is hoped and expected that the much to be desired union of the two state societies will then be effected. Business of special import connected with the union and with the general good of the cause in the state will be transacted. An attractive program will be presented. Prominent speakers, among them Miss Susan B. Anthony, are expected. Discussions of practical issues in connection with the main question will form an enjoyable feature of the exercises, and add greatly to the pleasure and benefit of the meeting.

Friends of suffrage all over the state are urged to be present. All who attend will be repaid. Each suffrage socity in the state has the privilege of sending five delgates and it is hoped that each will send its quota, and the entire state be well represented.

An Important Element

Of the uccess of Hood's Sarsaparilla is the fact that every purchaser receives a fair equivalent for his money. The familiar headline "100 Doses One Dollar," stolen by imitators, is original with and true only of Hood's Sarsaparilla. This can easily be proven by any one who desires to test the matter. For real economy, buy only Hood's Sarsaparilla. Sold by all druggists.

Advice to Mothers.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to take. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhœa, whether arising from teething or other causes. Twenty-five cents a bottle.

SKINS ON FIRE

Agonizing, itching, burning, and bleeding Eczema in its worst stages. A raw sore from head to feet. Hair gone. Doctors and hospitals fail. Tried everything. Cured by the Cuticura Remedies for $6.

CURED BY CUTICURA.

I am cured of a loathsome disease, eczema, in its worst stage. I tried different doctors and been through the hospital, but all to no purpose. The disease covered my whole body from the top of my head to the soles of my feet. My hair all came out, leaving me a complete raw sore. After trying everything, I heard of your Cuticura Remedies, and after using three bottles of Cuticura Resolvent, with Cuticura and Cuticura Soap, I find myself cured at the cost of about $6. I would not be without the Cuticura Remedies in my house, as I find them useful in many cases, and I think they are the only skin and blood medicines.
ISAAC H. GERMAN, Wurtsboro, N. Y.

Burning and Itching.

I was sick in the fall of 1888 with a burning and itching so bad that in three weeks I was covered with a rash, and could not sleep nights or work days. Some doctors thought it might be salt rheum (eczema), and said they had never seen anything like it before. I received no help from any of them, or from any medicine that I could get hold of until I tried your Cuticura Remedies. After three weeks' use I was able to work, and kept getting better, until I am now entirely cured. I recommend them to all suffering with skin diseases.
C. E. OSMER, Tattsville, Vt.

Most Intense Itching.

I have used the Cuticura Remedies successfully for my baby, who was afflicted with eczema, and had such intense itching that he got no rest day or night. The itching is gone, and my baby is cured, and is now a healthy, rosy-cheeked boy.

LONG LIFE.

There is nothing in the world more generally desired than long life, yet the majority of people put off caring for their health—not because they are really careless, but because we live our lives at such a pace we have not time to give the subject sufficient thought until we receive a reminder in the shape of a severe illness.

Then, too, we are constantly bewildered by the various schools of medicine, and the physicians who represent them, and often blunder in our choice of a doctor.

If people only knew that the very best health-keeper, life-preserver and disease preventer that has yet been discovered, is simmered down into a concentrated and very palatable form in the shape of New Style Pleasant Taste Vinegar Bitters, they would not hesitate a moment to try it.

But they do not know. How can they know, when so many not only worthless, but positively injurious drugs are constantly flooding the market under various names and guises, that the New Style Vinegar Bitters is as bad as any of them?

They do not know, of course, unless they have the courage to try the New Style. It straightens out a tangled-up system in a very short while, and those who buy it once buy it always.

Why don't you try it, reader? It is sent out by a responsible house, and is exactly as represented. It costs but a trifle for a very large bottle. Try it and you will never be so glad of anything in your life. Your druggist may not have it, but he will order it for you. Be sure it says New Style Pleasant Taste on carton and bottle before you take it. Try it, and you will feel happier than if you had found a gold mine, for it really is a mine—of health.

LIMA, Ohio, Oct. 2.—Two robbers attacked Wm. Seffingwell Monday night while he was returning home, beat him until he was insensible, and, after securing his money and valuables, placed him on the railway track, where he was fatally injured by a train.

SIOUX CITY, Iowa, Oct. 2.—Two men entered the jewelry store of Wm. Hells yesterday, and engaged him and his clerk in conversation, while a third entered and took a tray of forty-six diamond rings, valued at $3,500. The thieves had been gone ten minutes before the theft was discovered.

It is not known that they had quarreled and the motive for the crime cannot be surmised as they had been good friends.

The appearances indicate that Stevenson, in whose right hand a revolver was found, had first shot Johns, who probably died without a struggle. The murderer then placed the revolver to his own head and blowed out his brains.

Mrs. Hamilton's Divorce.

NEW YORK, Oct. 2.—The attorneys of Robert Ray Hamilton state that divorce proceedings against Mrs. Hamilton will be instituted at once. The ground upon which the application is based is that the marriage was brought about by fraud on the part of Mrs. Hamilton.

A Tremendous Sensation

would have been created one hundred years ago by the sight of one of our modern express trains whizzing along at the rate of sixty miles an hour. Just think how our grandfathers would have stared at such a spectacle! It takes a good deal to astonish people nowadays, but some of the marvelous cures of consumption wrought by Dr. Pierce's Golden Medical Discovery, have created wide-spread amazement. Consumption is at last acknowledged curable. The "Golden Medical Discovery" is the only known remedy for it. If taken at the right time—which, bear in mind, is not when the lungs are nearly gone—it will go right to the seat of the disease and accomplish its work as nothing else in the world can.

Quoth the man in the moon, "I doubt it."
But when once applied the pains quickly subside,
And he never will be without it.

Advertising a patent medicine in the peculiar way in which the proprietor of Kemp's Balsam for Coughs and Colds does is indeed wonderful. He authorizes all druggists to give those who call for it a sample bottle *Free*, that they may try it before purchasing. The large bottles are 50c and $1.00. We certainly would advise a trial. It may save you from consumption.

TAR-OID must not be confounded with the cheap remedies which are prepared on the theory that *Skin Diseases* are caused by *impure blood*, which is not true. They have their cause in a want of *vital action* in the skin. TAR-OID restores this action, hence it cures every form of *Skin Disease*, also sores, burns, etc. It is soothing and wonderfully healing—gratifying results follow in every case. It is harmless and can be used with perfect safety by any one. It is superior to all other remedies. There is positively nothing else like it.

TAR-OID is a sure cure for piles. It never fails. We warrant a cure or refund the money. It gives immediate relief. It is perfectly safe, yet powerful in its action.

S.S.S. FOR THE BLOOD.

Our little girl when but three weeks old broke out with eczema. We tried the prescription from several good doctors, but without any special benefit. We tried S. S. S., and by the time one bottle was gone, her head began to heal, and by the time she had taken six bottles she was completely cured. Now she has a full and heavy head of hair—a robust healthy child. I feel it but my duty to make this statement. H. T. SHOBE, Rich Hill, Mo.

THE NEW STATES!

Montana Wheels Into the Democratic Line With a Handsome Majority—The Other States Republican.

HELENA, Mont., Oct. 2.—The democracy have carried Montana by a majority of not less than 2,000. This is conceded by Chairman Saligman of the republican state committee, Russell Harrison and other rabid republicans, who wish it were not so.

Power, republican candidate for governor, ran behind his ticket several hundred, while Toole ran ahead of his. Maginnis, for congress, got the fewest votes on the democratic ticket, but enough to send him to Washington.

The constitution is adopted by 25,000 majority.

The democratic managers claim the entire state ticket and a majority in the legislature. The *Journal*, republican, claims the state for Carter and says Power will not run five hundred behind. It says the legislature can not be forecast, but is confident of a republican majority.

The result can not be surely known before to-morrow.

ABERDEEN, S. D., Oct. 2.—Chairman McCoy, of the republican state central committee, estimates this morning that the republican state ticket is elected by 20,000; prohibition carried by 10,000 to 15,000; Pierre has 25,000 votes for temporary capital, Huron a good second, Sioux Falls third, Watertown and Mitchell fighting for fourth. Pierre will undoubtedly be the temporary capital. Even Minnehaha county, in which Sioux Falls is situated, has gone for Pierre. A large vote.

E. J. Goodkind, Bismarck's liquor dealer, claims to have heard from every county and says his returns show a majority of 2,100 against prohibition. Each party gets three judges, the legislature is safely republican and the election of Gilbert A. Pierce to the senate is assured.

FARGO, Dak., Oct. 2.—Returns up to 11 o'clock at the republican state central committee headquarters give Miller's majority over Roach 5,172. Miller runs behind his ticket 2,000, the average majority being 7,000. Haughbrough for congress will have 8,000.

Chairman Geary says the total vote will not be over 85,000 or 10,000 less than in 1888. This is partly due to the fact that threshing crews did not vote, the weather being fine.

MINNEAPOLIS, Minn., Oct. 2.—It is a sure victory for Pierre for the capital of South Dakota. The *Journal's* staff correspondent at Aberdeen telegraphs: Chairman McCoy estimates, this afternoon, that Pierre will have 10,000 plurality. A Deadwood special says 34 precincts in the Black Hills give Pierre 3,125, Huron 367, Sioux Falls 126, Chamberlain 118, Watertown 125.

A Priest's Funeral.

The Last Sad Rites of Father O'Heran—Telegrams From Different Points.

WILKESBARRE, Pa., Oct. 2.—The funeral of Father O'Heran took place this morning. The church was crowded and over a thousand persons were unable to get in the edifice. There were ninety-seven priests present. Bishop O'Hara delivered a panegyric. Business was entirely suspended and many of the collieries shut down to enable the miners to attend the services. The funeral cortege was over three miles long, 3,000 persons being in line.

CHICAGO, Oct. 2.—Judge Baker this morning ordered that the writ of habeas corpus, on which Frank Woodruff seeks to gain his liberty, might issue. It was made returnable to-morrow morning at 10 o'clock. The examination of venire men in the Cronin case, was resumed this morning, and the defense promptly challenged James B. Kramer, on behalf of Kunze.

Left the Town in Darkness.

HARTFORD CITY, Oct. 2.—The fight between the gas company and the city council came to a head last night. The lights were turned out, and the city was left in darkness. The board are determined that the gas company must furnish lights for one-half the present price—seventy-five cents a post per month being the price heretofore exacted. The gas company say they will not do it. Public opinion is divided in the fight.

Stood Against Muldoon.

PHILADELPHIA, Oct. 2.—Jack Carkeh, of Michigan, earned $25, at the Standard theatre last evening by staying fifteen minutes with William Muldoon in a Graeco-Roman wrestling match. Muldoon used him rather roughly, but could not turn him on his back.

THE NOBLE TWENTY-NINTH.

A Reunion of One of the Conspicuous Batteries of Indiana, Which was Organized in This City.

To-morrow at Sion S. Bass post hall there will be held a reunion of the Twenty-ninth Indiana battery.

This battery has a great record, being very conspicuous in the Indiana forces during the civil war.

Capt. James H. Myers, of Jeffersonville, who was captain of the battery, writes that he will be unable to be present. He sends to Mr. James E. Graham an address to be read to the comrades; which will revive some of the incidents and memories of the battery.

Fort Wayne, in September, 1862, was a general rendezvous for different regiments (infantry) with Governor Wm. Williams, of Warsaw, in command. Hon. Scott Bayless was quartermaster and commissary. In getting the recruits organized into different regiments, Hons. Samuel Hanna, McCulloch, and others, were prominent. It was then that the battery was organized. Captain Myers was walking down a street in Fort Wayne, when Joseph Bowers, and others, offered their services, and a meeting was called at the court house that night, when Franz A. Sawyer, and others, spoke. As a result the Twenty-ninth battery was organized then and there.

The muster roll of the battery shows 102 men through all the war; died in the service, 16; discharged for disability, 16; transferred to other companies, 8; deserted, 21.

Captain Myers sends the original muster roll and the guidon or banner of the battery, which will be inspected by the comrades.

Most all of the surviving members of the Twenty-ninth battery reside in the county and there will no doubt be a large attendance at to-morrow's reunion.

THE THREE AMERICAS.

The Congress of the Great Powers in Session at Washington—A Great International Event.

WASHINGTON, Oct. 2.—Nearly three score of distinguished looking men assembled at the state department this morning. They were the delegates to the three Americas congress. Before proceeding to the department they had their pictures taken in a group at the Watchmans, where the congress will meet.

A few minutes after the noon hour the delegates, headed by Assistant Secretary Ade, of the state department, walked in procession from the diplomatic suite room to the diplomatic reception room.

The Brazilian delegates were attired in brilliant uniforms, resplendent with gold lace, but the others were plain black clothes, with the exception of Captain Bourke, of the United States army, one of the aids to the congress, who wore his cavalry uniform. Some of the delegates were attired in evening dress and carried opera hats.

As soon as the delegates assembled in the reception room the doors were closed and the proceedings inside were conducted secretly. Only those persons who had credentials to the congress were allowed to remain in the apartment.

When the delegates had assembled in the room, Secretary Blaine passed around among them and greeted each in an entirely informal manner. All the delegates were present except T. J. Coledige, of Boston, who will join the delegates at this city. After a few minutes of chatting, Secretary Blaine took his stand at the head of the long central table in the room, and using a large pair of shears as a gavel called the meeting to order and made an address.

At the close of his address the congress elected Mr. Blaine president of the congress and transacted other business.

THE FIRE DEMON.

Destruction in Different Parts of the Country.

ADA, Minn., Oct. 2.—The *Norman Herald*, J. E. Campbell's livery and W. W. Campbell's office were burned at midnight last night. The *Herald's* loss is $6,000 and the Campbells', $6,000.

BISMARCK, N. D., Oct. 2.—Destructive prairie fires have been raging in McLean county, fifty miles north of here, during Sunday and Monday. The flames were driven by a wind with a speed of sixty miles an hour. Houses, barns, granaries and all their contents have been destroyed, and the town of Washburn had a narrow escape.

SUPERINTENDENT MARRIED.

The Popular Superintendent of White's Wheel Works Quietly Married.

Papers from Bay City, Mich., contain the announcement of the marriage Monday evening of Mr. John McLotchie, superintendent of White's wheel works, in this city, to Miss Hattie Hamilton.

The ceremony was performed at Bay City, the bride's home. Mr. McLotchie's friends were unaware of the approaching event, and the announcement will, of course, be a surprise.

The couple will return to this city to reside after taking a brief wedding trip. THE SENTINEL tenders congratulations.

New York Democrats.

SYRACUSE, N. Y., Oct. 2.—The following ticket was nominated at yesterday's democratic state convention: Ex-Assemblyman Frank Rice, of Ontario county, for secretary of state; Edward Wemple, present incumbent, for comptroller; Hon. Elliott Danforth, for state treasurer; Charles P. Tabor, present incumbent, to be attorney general; John Bogart for state engineer and surveyor, and Dennis O'Brion for court of appeals judge.

Kukomo's Kick.

KUKOMO, Oct. 2.—After two weeks' use, the Beckford-Williams-Merrill geographies were condemned yesterday by the city school board, and thrown out of all the city schools, believing their use to be a rank injustice to the pupils and school patrons. The new eclectic series, formerly in use, have been again utilized, to the great delight of pupils and teachers.

Indications.

Mergenthelm's Opening.

A Faultless Display of Hats, Bonnets, Trimmings and Goods Pertaining to Millinery.

The grand fall opening at Mergenthelm's millinery establishment will commence to-morrow and continue Friday.

A SENTINEL reporter was afforded the pleasure to-day of an inspection of the large and fine display, and through the courtesy of the amiable Mrs. Mergenthelm, was enlightened on this subject that so peculiarly interests and delights the gentler sex.

The millinery parlors never presented a handsomer appearance than they do now with their apparently inexhaustible supply of feminine treasures, in the form of the latest shapes in head wear, beautiful trimmings and the accessories necessary to commence and complete a hat or bonnet.

It is indeed a rare and exceedingly attractive display, and is a stock that Mrs. Mergenthelm selected with her own clear conception of the tastes and desires of the ladies. Electric light has been placed in the building, and access is had to the second floor by means of an elevator. The opening will continue each day and in the evening.

FREE NATURAL GAS.

Last night the Salimonie Natural Gas and Fuel company passed a resolution granting consumers for domestic purposes free natural gas until November 1st.

Gas consumed for manufacturing purposes is excepted.

PROF. B. T. GALLOWAY, chief of the section of vegetable pathology, Department of Agriculture, has recently succeeded, as the result of practical experiments, in producing a remedy for the disease called pear leaf blight and apple mildew, which annually causes great destruction to those trees. As a result of practical experiments he feels justified in recommending it to the farmers and fruit growers as both efficacious and economical. The remedy consists of the application of a fungicide, with an appliance by which 50,000 plants were sprayed in a day and a half at a cost, not including labor, of $4.75 for each application, five being required to secure good results.

The tragedy occurred while the two were in bed in their home on South Ionia street, where they had lived with Ricketts' family. Mrs. Ricketts will die. THE SOUTHBOUNDS.

Mrs. George S. Knight at the Temple—"Black Diamonds" at the Academy.

Mrs. George S. Knight is a favorite in Fort Wayne and it was no surprise to see a fair audience at the Temple last evening to witness her original repertoire.

Mrs. Knight's winning caprices are heightened all the more by the support she has, which is more than acceptable. This evening will be given "On Guard," "Crazed," and "A Lucky Number," all Mrs. Knight's own creations. There ought to be a good house.

THE PEOPLE'S.

"Black Diamonds" was presented the second time at the People's theatre last evening. The Forbes company have among them some clever people, and our own Chas. DeRome, who was raised in this city, takes the part of the original colored "Bob." The show holds the boards every night this week.

WEDNESDAY, OCT. 2, 1889.

THE Boston churches spend $30,000 a year for music.

THE new states voted yesterday. The democrats carried Montana.

THE tobacco tax in this country amounts to over $30,000,000 a year.

THE indications are that after next Tuesday Mahone will be in a position to sympathize with Tanner.

INDIANA is awake on the live issue of the day. The state tariff reform league has organized branches in fifty two counties and the "campaign of education" is progressing.

THE Central Illinois conference of the Methodist Episcopal church passed a resolution this week recommending that the American flag be placed in all their churches and Sunday schools as an emblem of Christian civilization.

THE platform of the Massachusetts republicans calls for a "thorough and equitable revision of the tariff." That is just what Mr. Cleveland wanted in 1888, but the Massachusetts republicans were not ready for it then. It is encouraging to know, however, that they have learned something since.

THE potato crop of 1889 will probably exceed in quantity that of any previous year in the United States. The acreage is less than last year, but the conditions of growth have in general been very favorable, and there has been an unusual absence of insects. The total crop is estimated at 230,700,000 bushels, which exceeds last year's crop by over seventeen million bushels.

THE farmers of Illinois are organizing alliances all over the state for the purposes of mutual protection and to fight monopolies. The most effective way to fight monopolies is to strike at the system which renders them possible. The farmers of Illinois missed this opportunity when they voted last fall for protection, but they will have a chance to atone for their error in 1892.

THE army of American tourists are swarming home by the thousands. The *World* stated since March over 80,000 passengers had left that port for Europe, nine-tenths of whom were Americans bound for the Paris exposition. They have left a good many American dollars behind them and wear home a good many foreign made garments with which the customs officers will not be able to interfere. Now that it has gotten to be a holiday trip across the Atlantic the laws will have to be revised to meet the case of those who go shopping abroad.

IT is believed that an Indiana man will be given the supreme court vacancy, and that the nominee will be Judge Woods. To prevent this Judge Gresham's friends are said to be striving earnestly. It is a novel situation, as one can see at a glance. Judge Gresham, Judge Woods' superior, has given the latter a mortal affront (in the Indiana, Decatur and Western receivership.) It can never be forgotten nor forgiven, and as the offender is generally as relentless as the offended, it is to be expected that Judge Gresham will do nothing to see Judge Wood's interests advanced. But Judge Gresham is a political rival of President Harrison's, and the latter is not only a personal friend of Judge Woods, but he is an admirer of his judicial abilities. It will be gall and wormwood to Judge Gresham to see Judge Woods go above him on the supreme bench. It would be a sweet revenge—and it is not an improbable one—to Judge Woods' friends if this should happen. The promotion might be expected to come to Judge Gresham, but it is supposed to be improbable that he will be considered. The choice seems to lie between Judge Woods and Attorney-General Miller.

INDIANA TEMPLARS.

Indiana will form a prominent and important part of the great parade during the Knights' Templar conclave at Washington next week, arrangements for which are now complete. A pamphlet of sixteen pages is required to give the program. There will be thirty-five grand and 261 subordinate commanderies there. In the parade the seventh division will be composed of grand and subordinate commanderies of Indiana, Michigan and Texas, though up to the present time the latter state has reported no subordinate commanderies that will attend the conclave.

Right Eminent Sir Duncan T. Bacon will be the commanding officer; Right Eminent Sir H. C. Adams, chief of staff, and the following will be aids: Eminent Sirs William H. Smythe, Edward Gilbert, Edward T. Parker, R. B. McNight, and T. D. Craig. The subordinate commanderies participating in this division from Indiana will be as follows: Raper, of Indianapolis; Baldwin, of Shelbyville; Lafayette, of Lafayette, Fort Wayne, of Fort Wayne; New Albany, of New Albany; Knightstown, of Knightstown; South Bend, of South Bend; Columbus, of Columbus; Terre Haute, of Terre Haute; Vincennes, of Vincennes; Franklin, of Franklin; St. John's, of Logansport; Crawfordsville, of Crawfordsville; Plymouth, of Plymouth; Valparaiso, of Valparaiso; Michigan City, of Michigan City; Elkhart, of Elkhart, and Evansville, of Evansville.

THE CURTAIN DRAWN.

And Library Hall Fair is Hid Amongst the Events of the Past —About Eleven Thousand Dollars Net Realized.

Two weeks and four days was the duration of the great Library hall fair, which came to a close last night.

A SENTINEL reporter sought out Rev. Father Brammer, who managed the big success. Father Brammer said: "The fair has been the most successful one ever held in Library hall. Much of our success is due to the generous spirit manifested by our non-Catholic friends. They have contributed much and they may rest assured that it is appreciated."

The gross receipts of the fair THE SENTINEL is informed, amount to something like $12,000 or $13,000; net, between $10,000 and $11,000. The amount may exceed or lack the figures some. The debt on the building is $29,000, and the amount netted will decrease it considerably.

The following is the correct list of prizes in the grand drawing:

Prize No. 1 with 2,928, 2 with 523, 3 with 3,027, 4 with 3,041, 5 with 1,578, 6 with 1,491, 7 with 1,590, 8 with 1,784, 9, with 3,501, 10 with 4,530, 11 with 3,304, 12 with 4,137, 13 with 456, 14 with 4,460, 15 with 1,992, 16 with 1,830, 17 with 2,989, 18 with 834, 19 with 2,145, 20 with 4,786, 21 with 2,226, 22 with 4,469, 23 with 1,494, 24 with 3,280, 25 with 4,688, 26 with 2,766, 27 with 1,436, 28 with 2,055, 29 with 3,107, 30 with 1,520, 31 with 4,342, 32 with 2,001, 33 with 3,229, 34 with 4,678, 35 with 4,973.

Mr. Henry Eckart proved to be the most popular butcher, as can be seen by the following vote:

Edward Rich, 65; Gottlieb Haller, 193; Charles Wilkins, 10; Charles Weller, 20; Albert Gessler, 30; Jos. Yobst, 20; Henry Eckart, 1,586; John Leikauf, 20.

Mr. Wm. P. Breen, on behalf of the Young Men's and Rosary societies of the Cathedral, in a few well-chosen words, presented Rev. Father Brammer with an elegant stole, the handiwork of the Sisters of Providence of St. Augustine's academy, to which Father Brammer responded in a few words, sincerely thanking the people for the good will and generosity shown to him during the fair.

Those holding tickets that won premiums in the grand drawing will please present the same to Rev. M. J. Byrne and recieve the prize. No prize delivered without the ticket. As a great many articles have been lost a constant precaution must be made. A collection of silverware from the try-and-win table were drawn by the following persons:

No. 57, prize number 6, Mrs. B. R. Noll; No. 42, prize number 11, Rev. M. J. Byrne; No. 93, prize number 9, D. Gorman; No. 75, prize number 10, Mrs. McBennett; No. 67, prize number 5, Tom McMahon; No. 27, prize number 7, Mrs. B. R. Noll; No. 95, prize number 1, Mrs. John G. Rushville State Woman's Suffrage Convention.

The annual convention of the Indiana National Woman's Suffrage association to be held at Rushville, Ind., October 10 and 11, promises to be an occasion of great interest and importance to the suffrage work in the state. It is hoped and expected that the much to be desired union of the two state societies will then be effected. Business of special import connected with the union and with the general good of the cause in the state will be transacted. An attractive program will be presented. Prominent speakers, among them Miss Susan B. Anthony, are expected. Discussions of practical issues in connection with the main question will form an enjoyable feature of the exercises, and add greatly to the pleasure and benefit of the meeting.

Friends of suffrage all over the state are urged to be present. All who attend will be repaid. Each suffrage socity in the state has the privilege of sending five delgates and it is hoped that each will send its quota, and the entire state be well represented.

MARY E. CARDWILL,
Supt. Press for the Indiana National Woman's Suffrage Association.

An Important Element

Of the ucess of Hood's Sarsaparilla is the fact that every purchaser receives a fair equivalent for his money. The familiar headline "100 Doses One Dollar," stolen by imitators, is original with and true only of Hood's Sarsaparilla. This can easily be proven by any one who desires to test the matter. For real economy, buy only Hood's Sarsaparilla. Sold by all druggists.

Advice to Mothers.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to take. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

SKINS ON FIRE

Agonizing, itching, burning, and bleeding Eczema in its worst stages. A raw sore from head to feet. Hair gone. Doctors and hospitals fail. Tried everything. Cured by the Cuticura Remedies for $6.

CURED BY CUTICURA.

I am cured of a loathsome disease, eczema, in its worst stage. I tried different doctors and been through the hospital, but all to no purpose. The disease covered my whole body from the top of my head to the soles of my feet. My hair all came out, leaving me a complete raw sore. After trying everything, I heard of your Cuticura Remedies, and after using three bottles of Cuticura Resolvent, with Cuticura and Cuticura Soap, I find myself cured at the cost of about $6. I would not be without the Cuticura Remedies in my house, as I find them useful in many cases, and I think they are the only skin and blood medicines.
ISAAC H. GERMAN, Wurtsboro, N. Y.

Burning and Itching.

I was sick in the fall of 1888 with a burning and itching so bad that in three weeks I was covered with a rash, and could not sleep nights or work days. Some doctors thought it might be salt rheum (eczema), and said they had never seen anything like it before. I received no help from any of them, or from any medicine that I could get hold of until I tried your Cuticura Remedies. After three weeks' use I was able to work, and kept getting better, until I am now entirely cured. I recommend them to all suffering with skin diseases.
C. E. OSMER, Taftsville, Vt.

Most Intense Itching.

I have used the Cuticura Remedies successfully for my baby, who was afflicted with eczema, and had such intense itching that he got no rest day or night. The itching is gone, and my baby is cured, and is now a healthy, rosy-cheeked boy.

LONG LIFE.

There is nothing in the world more generally desired than long life, yet the majority of people put off caring for their health—not because they are really careless, but because we live our lives at such a pace we have not time to give the subject sufficient thought until we receive a reminder in the shape of a severe illness.

Then, too, we are constantly bewildered by the various schools of medicine, and the physicians who represent them, and often blunder in our choice of a doctor.

If people only knew that the very best health-keeper, life-preserver and disease preventer that has yet been discovered, is simmered down into a concentrated and very palatable form in the shape of New Style Pleasant Taste Vinegar Bitters, they would not hesitate a moment to try it.

But they do not know. How can they know, when so many not only worthless, but positively injurious drugs are constantly flooding the market under various names and guises, that the New Style Vinegar Bitters is as bad as any of them?

They do not know, of course, unless they have the courage to try the New Style. It straightens out a tangled-up system in a very short while, and those who buy it once buy it always.

Why don't you try it, reader? It is sent out by a responsible house, and is exactly as represented. It costs but a [illegible] for a very large bottle. Try it and you will never be so glad of anything in your life. Your druggist may not have it, but he will order it for you. Be sure it says New Style Pleasant Taste on carton and bottle before you take it. Try it, and you will feel happier than if you had found a gold mine, for it really is a mine—of health. Free from alcohol and opium; composed of expensive herbs and roots, with fine, delicate flavoring.

DASTARDLY DEED.

Bandits Rob a Lima Man, Beat Him to Insensibility and Place His Body on the Railroad.

Lima, Ohio, Oct. 2.—Two robbers attacked Wm. Seffingwell Monday night while he was returning home, beat him until he was insensible, and, after securing his money and valuables, placed him on the railway track, where he was fatally injured by a train.

Sioux City, Iowa, Oct. 2.—Two men entered the jewelry store of Wm. Holls yesterday, and engaged him and his clerk in conversation, while a third entered and took a tray of forty-six diamond rings, valued at $3,500. The thieves had been gone ten minutes before the theft was discovered.

Milwaukee, Wis., Oct. 2.—Meagre accounts of a double tragedy at Ogema, Wis., reached here last night. Charles Stevenson and William Johns, who roomed together, were found dead in their beds. It is not known that they had quarreled and the motive for the crime cannot be surmised as they had been good friends.

The appearances indicate that Stevenson, in whose right hand a revolver was found, had first shot Johns, who probably died without a struggle. The murderer then placed the revolver to his own head and blowed out his brains.

Mrs. Hamilton's Divorce.

New York, Oct. 2.—The attorneys of Robert Ray Hamilton state that divorce proceedings against Mrs. Hamilton will be instituted at once. The ground upon which the application is based is that the marriage was brought about by fraud on the part of Mrs. Hamilton.

A Tremendous Sensation

would have been created one hundred years ago by the sight of one of our modern express trains whizzing along at the rate of sixty miles an hour. Just think how our grandfathers would have stared at such a spectacle! It takes a good deal to astonish people nowadays, but some of the marvelous cures of consumption wrought by Dr. Pierce's Golden Medical Discovery, have created wide-spread amazement. Consumption is at last acknowledged curable. The "Golden Medical Discovery" is the only known remedy for it. If taken at the right time—which, bear in mind, is not when the lungs are nearly gone—it will go right to the seat of the disease and accomplish its work as nothing else in the world can.

And he never will be without it.

Advertising a patent medicine in the peculiar way in which the proprietor of Kemp's Balsam for Coughs and Colds does is indeed wonderful. NATURE HAS NO BETTER REMEDY

Than this New Compound of Tar for

Wounds, Burns, Sores, Piles, Salt Rheum, Eczema, and

Coughs, Croup, Scrofula, Ulcers, Varicose Veins, Bronchitis, and Consumption.

TAR-OID must not be confound[ed] with the cheap remedies which are prepared on the theory that skin [diseases] are caused by impure blood, which is not true. They have their [origin] in a want of vital action in the skin. TAR-OID restores this action, hence it cures every form of Skin Disease, also sores, burns, etc. It is soothing and wonderfully healing—gratifying results follow in every case. It is harmless and can be used with perfect safety to any one. It is superior to all other remedies. There is positively nothing else like it.

TAR-OID is a sure cure for piles. It never fails. We warrant a cure or refund the money. Relieves immediate relief. It is perfectly safe, yet powerful in its action.

SSS

Our little girl when but three weeks old broke out with eczema. We tried the prescription from several good doctors, but without any special benefit. We tried S. S. S., and by the time one bottle was gone, her head began to heal, and by the time she had taken six bottles she was completely cured. Now she has a full and heavy head of hair—the purest healthy child. I feel it but my duty to make this statement. H. T. SHOBE, Rock Hill, S.C.
